

## PRESS RELEASE

### Luminox Air Pilot P-38 Lightning 9520 Series

**October 2022** – The P-38 Lightning was a legendary twin-propellered American fighter jet designed by Lockheed Martin that heroically served during WWII in both the European and Asian Theatres of Operations. Feared by the enemy because of their manoeuvrability even at high altitudes, the fighter jet eventually earned its nickname, ‘The Fork Tailed Devil’.

Lockheed’s P-38 was an engineering feat of its day, and the new Luminox Air Pilot P-38 Lightning pays homage to both the design and functionality of this iconic airplane.

The 42mm stainless steel case boasts all the attributes of a classic pilot’s watch including the highly legible, easy to read dial and Arabic fonts, and a GMT function on the interior dial ring powered by Swiss-Made quartz movement. As a nod to the traditional B-Uhr navigation watch of the 1940s, just below 12 o’clock position is an upwardly pointing triangle with two dots providing quick orientation and the ability to read the time at a glance.

Like all other Luminox timepieces, it incorporates the Luminox Light Technology, making sure that your timepiece is visible without an external power source and in any light conditions for up to 25 years. The piece is available in three dial options and comes in either a mesh bracelet or leather strap.

Luminox Air Pilot P-38 Lightning 9520 Series

Air Pilot P-38 Lightning – 9521

Air Pilot P-38 Lightning – 9522

Air Pilot P-38 Lightning – 9527

Product Specification

Glass Type	Sapphire crystal with anti-reflective coating
Case Material	Stainless steel
Case Diameter	42 mm
Strap Materials	Leather or Stainless steel
Strap Colour	Brown, Black or Silver
Dial Colour	Black or Beige
Functions	GMT (Dual Time), Date
Movement	Quartz
Water Resistance	100 metres

## **About Luminox**

Luminox, the original self-powered luminous watch brand, is the watch of choice for global outdoor adventure icon Bear Grylls, U.S. Navy SEALs, The Icelandic Association for Search and Rescue (ICE-SAR), Lockheed Martin's F-117 Nighthawk™ stealth and other jet fighter pilots, elite forces worldwide and professional divers. Luminox watches glow up to 25 years in any light condition. Always Visible, tough, powerful and accurate, Swiss-Made Luminox is the ultimate night vision gear for rugged outdoorsmen and other peak performers.

## **ALWAYS VISIBLE**

Navy SEALs, law enforcement, emergency personnel and more wear Luminox watches, and these professionals need to be able to see the time no matter the conditions. That's why Luminox uses tiny tritium gas tubes, which will provide illumination for up to 25 years. Unlike other luminosity systems, which depend on exterior light sources to charge luminous paint or a pushbutton to illuminate the watch, the luminosity is built right into Luminox watches, ensuring that you will always be able to see the time, no matter the conditions.

## **About the Navy SEAL Foundation**

The mission of the Navy SEAL Foundation (NSF) is to provide immediate and ongoing support and assistance to the Naval Special Warfare (NSW) community and its families, the families of NSW fallen, and SEAL and SWCC veterans.

U.S. Navy SEALs have been in sustained combat for nearly two decades, performing hazardous work in unforgiving environments at an unrelenting pace. NSW operators are currently deployed in over 30 countries across the globe and can spend up to 270 days each year in harm's way.

The Navy SEAL Foundation stands behind these warriors and their families by providing a comprehensive set of programs specifically designed to improve health and welfare, build and enhance resiliency, empower and educate families and provide critical support during times of illness, injury or loss.

Like the community it serves, the Navy SEAL Foundation is a high performing organization committed to excellence. NSF has been awarded the coveted 4-Star rating from Charity Navigator since 2011 and has earned a perfect score of "100" each year since 2016 for financial health, accountability, and transparency, placing NSF in the top 1% of rated charities. Ninety-five cents of every dollar donated goes directly to programs or is retained for future mission use.

The Navy SEAL Foundation is a national non-profit charitable organization. NSF is a non-federal entity, not a part of the Department of Defense or any of its components, and has no governmental status.
